**DATE:** October 17, 2017  
**TO:** Parents and Students in Grades 3-5  
**REGARDING:** GRC Bidy Basketball

Students in Grades 3-5 are invited to join and play in this year’s Bidy Basketball Program. This is a traveling league that plays surrounding towns. All games take place typically on Saturday mornings but there are occasionally some early afternoon games. The following towns are involved: Hesston, Haven, Moundridge, Halstead, Canton/Galva, Sedgwick and Burrton. Jerseys are provided by the GRC which need to be returned at the end of the season. Games will be December through January.

Please return the form below to the grade school office or Chad Lindeman at the JH with the \$20.00 fee payable to the Goessel Recreation Commission by *Tuesday October 24, 2017*. Please contact Chad Lindeman if you have questions. Home: 620-367-4606 School: 620-367-2242, [lindemanc@usd411.org](mailto:lindemanc@usd411.org). If you sign up From **October 25-31** there is an additional \$5 late fee. After that date no registrations will be taken and no adding to teams thereafter.

Teams are coached by volunteers. IF you are willing to coach or help with your sons or daughters team please let us know. If no one coaches then we will not be able to have a team participate. *If we do not have enough players for a grade level then there may not be a team. So, if there isn’t enough by October 31, there will not be a team.* *Also, if you have not signed up by October 31 you will not be able to join a team after that deadline. We have been having too many kids want to play an activity after the deadline and they have not been going through the GRC to sign up. PLEASE let us know, don’t put our coaches in a bad position. We want all kids to play but go through the GRC to sign up by the proper deadlines.*

This year along with the basketball program the HS teams would like to be a part of this experience for the kids. They are not quite sure of what grades they will interact with due to numbers but if you are interested in your child being a buddy please mark the line and information will be sent out later to the teams. If there are enough HS kids the goal is to have each Bidy Ball player to have a HS Buddy.

*Please cut here and return bottom part only.*
