SCHOOL NEWS:

♦Family Reading Night is coming in March, and to get students excited about it, we are doing a **school-wide reading incentive** starting on February 5. Students in 1st-5th grades will take Accelerated Reader tests throughout the week, and then on Friday,

Mr. Pauls will print out a points list. In the library, we have a giant poster that students need to attach colorful stickers to create the "Under the Sea" picture (like color-by-number but with stickers). Students will receive 10 stickers per AR point since the picture will require over 7000 stickers! Kindergarten students can earn stickers for returning completed BookIt forms to Mrs. Janzen for 10 stickers. The more forms completed, the more stickers! The goal is to complete the picture before Family Reading Night. We are hoping that all students will read lots of books and pass plenty of AR tests to help us fill in the picture by March 6!

♦*A reminder to parents using the west parking lot when picking students up after school: please use caution as children don't always watch for cars.*

PTO NEWS:

♦There will be an upcoming AR (Acceleratead Reader) store, hosted by PTO on Fri. Feb. 23 in the morning. Points earned = "money" to spend at the store!
